INVITATION TO TENDER

The National Electric Power Company intends for Construction of AQABA 400/132 kV GIS substation **(AAWDCP)**; and associated works at IPS, BPS1, AND RO.

This Invitation is for the work for Engineering, Supply, Installation, Commissioning and civil works for **NEW AQABA 400/132 KV GIS SUBSTATION (AAWDCP) including connection with BPS1 substation, and integrated cable works covering connection with IPS and RO** that is to be based on FIDIC (Federation Internationale des Ingenieurs Conseils) Conditions of Contract for EPC/Turnkey (Silver Book) First Edition 1999.

The National Electric Power Company now invites Tenderers for the EPC contract for supply, design, Build, manufacture, engineering, factory testing, packing for export, shipment, insurance, delivery (DAP), off-loading on Site, erection, site testing, commissioning and completion of substations, associated works and connections, with a Defects Notification Period of 1,095 days (three years) starting from the Taking-Over Certificate (TOC) for substations, associated works and connections.

Interested Tenderers may obtain further information at the office of:

National Electric Power Company
PO Box 2310
11181 Amman
Jordan

Telephone: +962 6 5858615
Telefax: +962 6 5818336

A complete set of Tender Documents may be purchased by interested eligible Tenderer on application to the above and upon payment of a non-refundable fee **of 5,000 Jordanian Dinars (Five Thousand Jordanian Dinars).**

The enclosed Tender Acknowledgement should be returned to the National Electric Power Company immediately after collection, as any further correspondence shall be addressed accordingly.

Offers must be delivered to The Tender Committee in the form of **three envelopes** as follows:

A. **Technical Proposal Envelope**
B. **Financial Proposal Envelope**
C. **Bid bond Envelope**

Note: The losses of transformers shall be attached to the financial envelope. Technical envelope shall not contain the losses, any deviation from the guaranteed values as found during FAT will involve the application of a penalty as detailed in technical specifications taking into consideration the applicable tolerances permitted by the relevant IEC standards.

The Technical Proposal Envelope shall contain:
• Two (2) Hard Copy of the Technical Proposal.
• Two (2) USB Flash Drives containing an electronic copy of the complete Technical Proposal.

The Financial Proposal Envelope shall contain:
• One (1) Original Hard Copy Financial Proposal.
• One (1) Hard Copy of the Financial Proposal.

The Bid Bond Envelope shall contain:
• One (1) Original Bid Bond.
• One (1) Copy of the Bid Bond.

The Bidder shall prepare the technical offer separate from the financial offer. **No pricing information shall be included in the technical offer.**

All Tenders shall be accompanied by a Tender Security (Bid Guarantee) in amount of **One Million Three Hundred Fifty Thousand Jordanian Dinars (1,350,000 JOD) ,** or its equivalent in US Dollars, in the form of either an unconditional bank guarantee or a certified cheque issued by an approved local bank in Jordan, using the form provided in the Tender Documents where applicable.

Tenders must be delivered to The Tender Procurement department, National Electric Power Company at the above address not later than 14:00, Amman Time on [***on a date to be advised by NEPCO***].

The Pre-Bid Meeting is scheduled as follows:

Item	Details
Date	To be confirmed by NEPCO
Time	To be confirmed by NEPCO
Venue	NEPCO Head Office, Amman, Jordan and/or Online Meeting Platform

The Pre-Bid meeting will be confirmed by NEPCO after floating the tender. Attendance at the Pre-Bid meeting is optional, but tenderers for this project are strongly encouraged to attend. The

meeting could be held on-line or at NEPCO's Headquarters, in which case each Tenderer should be responsible for its own transportation.

The purpose of the meeting is to present and explain the requirements requested by NEPCO from the Contractor and reply to Contractors questions. Therefore, Tenderers' representatives attending the meeting should be knowledgeable on the complete scope of the tendered project. The questions raised and answered during the Pre-Bid Meeting will be included in a Minutes of Meeting and distributed to all tenderers.

If applicable, a Site Visit will be arranged by NEPCO. Details of the Site Visit will be communicated to Tenderers and/or discussed during the Pre-Bid Meeting.

TENDER ACKNOWLEDGEMENT
